## WILLINGNESS

Willingness is the spiritual principle behind the 6th step. Willingness to recognize and work on our character defects is the primary focus of being ready to have our higher power remove those defects of character we discovered in working our 4<sup>th</sup> and 5<sup>th</sup> steps. The words willing and willingness are everywhere throughout our readings. When I find the prospect of being willing a daunting one, I pray for the willingness to be willing. As it seeps into my being, it becomes easier to do. When we choose to become willing to walk the path of the program of AA, we embark on a journey like no other toward freedom, peace and serenity.
