Step 5 & A New Freedom

Part of the 9th Step promises states “we are going to know a new freedom and a new happiness”. As I related my 4th Step with my sponsor in the 5th Step, it became clear to me this step was the beginning of a new freedom. I began to feel free of my past, accepting there was nothing on that day I could do to change it - only the way that I chose to view it. Working further through the steps, I began the process of letting go of that bondage. This new freedom brought about a new sense of serenity and happiness, and hope that the promises of the program would be fulfilled.
